The Amish Craftsmen Guild II's in home consultation goal is to assist you in creating and designing your furniture dreamscape. Two design consultants will come to the location up to 30 miles away from our store in Cedarburg you wish to furnish and will work with you for up to one and half hours to assist you in making decisions on your furniture purchase. They will advise on space and functionality of how you want to use ACG2 furniture as well as assist with colors and other ACG2 furniture design questions you may have. There is a \$150.00 non-refundable deposit that will go towards your furniture purchase. The minimum purchase for an in-home consultation is \$750.00. Once you have decided on what furniture you want to purchase you will be required to come into the store to make your final order. We are happy to set up a specific date and time when you come in the store so you have our undivided attention and we can get your order in promptly. This also allows you to sit on the design of furniture that you have selected so you are confident in how it feels since comfort is one of our main goals!

I have read and understood the above and have submitted my \$150.00 non-refundable furniture deposit.
